Mushroom Lanka (Pvt) Ltd.

20+ Years of Excellence

Nature Harvest Mushrooms is a trusted name in Sri Lanka and international markets, celebrated for the superior taste and rich flavor of our button mushrooms.

Our mushrooms are Fleshier, Fresher, and more Flavorful than any other in the market.

With fully in-house technology, from composting and seed production to climate-controlled growing rooms and our own laboratories—we ensure consistent quality at every stage.

From farm to table, we take pride in delivering premium mushrooms with unmatched freshness and reliability

We are Sustainable

Our raw materials are 100% Natural and Organic.

Even our Spent Mushroom Compost becomes a rich organic fertilizer truly giving back to nature.

For us, sustainability is a gift of nature, and we proudly give it back with every harvest.
